GRID CABINET *BEIGE*

8

Despite its large size the **Grid Cabinet** in beige appears light and agile. The allure of the perforated steel surfaces lets you see the silhouettes of the items stored inside. A perfect opportunity to curate a lovely vignette of your dearest belongings. The industrial design pairs geometric lines with linear form leaving strong yet light visual impact. The Grid Cabinet is the ideal storage solution for the contemporary home.

Sculptural & Striking in appearance

GRID CABINET *BLACK*

The **Grid Cabinet** is made of perforated steel. An elegant cabinet with a transparent design. Use it for exhibiting accessories or as a remarkable storage unit.

GRID SIDEBOARD *BLACK*

The **Grid Sideboard** is made of black powder-coated steel. Sides, shelves and top plate are made of perforated steel. The Grid Sideboard is well-suited for storing books, objects or dishes and the see-through aspect brings forth a light appearance. An elegant and large sideboard with a transparent design. Use it to display your dearest accessories or as a remarkable spacious storage unit for your office space.

BAUHAUS TROLLEY *BLACK / WHITE*

Kristina Dam Studio

Bauhaus Trolley is inspired by the influential German Bauhaus art school. The design of the serving trolley is light and graphical. Use it as a bar trolley, as a movable serving table or to exhibit your indoor herb garden or plants. The Bauhaus Trolley emphasises once more that simple design is beautiful. Available in black and white powder-coated steel.

BOOKEND SCULPTURE *MARBLE*

Bookend Sculpture Both a sculpture and a bookend, this marble piece plays with shape and repetition. Enjoy it as a simple and beautiful sculpture or place your favourite literature in the middle of the two pieces, and watch the bookends merge with the spines.

147

MARBLE CIRCLES *MARBLE*

148

**Marble Circles**

Two unbroken circles of beautiful black marble intertwined for eternity. A very popular gift for weddings and engagements this beautiful sculpture is a token of love and relations. The circles are flexible and you can arrange them in many ways.

Decoration Circle is a great graceful object perfectly suited for ornamentation or displaying your flower decoration. Geometric, uncomplicated and artistic even without flowers –made of solid brass and stainless steel.

DESK SCULPTURES

BRASS, MARBLE, OAK & TERRACOTTA

Desk Sculptures is a set of four small accessories for you to rearrange and reposition in your home. A source of continual inspiration composed of a circular paperweight in stoneware, a triangle bookend in marble, a wooden cone and an arc in brass.

You can use the items alone or set them up as a small collection of sculptures and materials. They are beautiful, simple and even functional. Use them as your weekday desk meditation or use them to create an ever changing stilleben in your livingroom.
