

COMFORT

LEVANE

Levane is the ultimate cosy and yet exclusively looking sofa. Use the soft-touch mechanism and extend the seat by 19cm. The extremely large proportions ensure multiple seating positions and you can easily make your own cosy corner. Enjoy the fully upholstered back for even more sofa space. Levane is made with beautiful and puffy feather-mix back seat cushions. We have hidden the zippers to give this sofa the optimal look. The sofa is completely wrapped in feathers for optimal softness, and the refined stitching just adds to the cosy look. Optional adjustable and moveable neck rest can be added to the sofa.
