

BUFFALO CHAIR

By Kristian Sofus Hansen & Tommy Hyldahl

Sculptural and strong

With rich wood grain, the Buffalo Chair has a distinctive appearance to match its high-quality, solid-wood construction. The back is made with a special production technique pressing multiple layers of oak veneer in a compression mold, forming the characteristic buffalo horn shape that provides back and arm support.

Product facts:

- Sleek design with an edge
- Available with and without upholstery
- Replaceable upholstery plates
- The back is made of pressing 36 layers of oak veneer in a special compression mold
- Frame based on the proven L2 tested NY11 Chair frame
