

LE SIX PENDANT

by Kristian Sofus Hansen & Tommy Hyl Dahl

Le Six is a modern lamp collection based on a minimalistic principle of one single lampshade adaptable for every lamp.

The curved design of the lampshade is inspired by lamps from the 1920s art Nouveau in a reinterpreted Scandinavian context. The characteristic trumpet shape is designed in order to create a lampshade with optimum light scattering, which is easily adjusted in any direction. This makes Le Six a very versatile lamp fitting perfectly into every room of the house, offices, hotels or restaurants.

Le Six is available in different variations of color and lamp type.
